

IEA is pleased to announce its
19th Annual Bloodborne Pathogens Seminar

This year's seminar will be held on:

Wednesday, August 25, 2010
8:30 AM to 2:30 PM
 at the
Crowne Plaza Minneapolis North
(694 & Shingle Creek Parkway)
2200 Freeway Blvd.
Brooklyn Park, MN 55430

We will have speakers from the MN Department of Health on **H1N1** (surveillance and vaccine), the **varicella vaccine**, and **emergency planning**. We will also have a speaker from MN OSHA to discuss compliance with the BBP standard (including the definition of an **exposure incident**). As always, we will provide a brief BBP training to comply with annual training requirements.

The registration fee is typically **reimbursable** for public school districts through health and safety funding from the Minnesota Department of Education, and **Continuing Education Units** (CEUs) are available. The registration fee includes breakfast, lunch, and materials.

To register for this seminar, please complete the attached registration card and mail back with payment to IEA. We also accept VISA and Mastercard.*
