

IEA's 2010 Bruce Bomier Environmental, Health, and Safety Scholarship Application

Scholarship Information

IEA, Inc. is pleased to announce IEA's 2010 Bruce Bomier Scholarship. Three \$500 scholarships will be awarded to graduating seniors who are pursuing an environmental, science, engineering, health and safety, or industrial hygiene career at any eligible post-secondary school in the United States.

IEA has dedicated more than 30 years to improving the indoor environment for students and staff in school systems. As founder of IEA, Bruce Bomier has worked to protect and enhance public safety and building environments. In 2005, IEA established a scholarship program in his honor to support and encourage high school seniors in pursuit of environmental, health, and safety careers. IEA is committed to this ongoing scholarship program in the belief that the education and training of young people will advance the goal of healthy and safe environments.
